

FAQs

How old is Courage?

We were founded in May of 2022, so at the time we wrote this we were two years old... But now we're probably even older!

Is Courage independent or owned?

We are founder owned and operated, and fiercely independent.

How big are you?

We are 66 courageous humans and counting (office dogs not included).

Where are you located?

Our home base is Toronto, but our approach to talent, clients and creativity is borderless.

Come say hi! 507 King St. E, Suite 400, Toronto, ON M5A 1M3 Canada

What services do you offer?

Our sweet spot is finding the intersection between people, culture, and the things that make brands special. The result: creative that breaks through and delivers real business results for our clients.

Here's a quick breakdown:
